PUBLIC NOTICE

Central Hooksett Water Precinct

Will be

FLUSHING HYDRANTS

During normal business hours on weekdays from:

April 16, 2018 – June 1, 2018

Water users may temporarily experience low pressure or rusty water during the flushing period. Discoloration may be removed by running the cold-water tap until it clears. If the problem persists, call our office

Thank you for your cooperation.

Flushing is critical for good water quality and flow.
